PROFILE

As a dynamic Frontend Web Developer with over 1 year of experience, I've transformed visions into reality by crafting the immersive, user-centric frontends of multiple official websites. My biggest achievements? Delivering excellence with fully satisfied clients, and my knack for turning design into seamless digital experiences. With skills that blend creativity, precision, and innovation, I'm your go-to developer for web magic!

EMPLOYMENT HISTORY

Frontend Web Devveloper, Remote   Lahore

Sep 2021 -- Present

My experience spans a diverse range of clients, each of whom has left with complete satisfaction in the wake of my work. I pour my heart and soul into every project learning no stone unturned in my pursuit of excellence in design and development.

EDUCATION

Bachelors of science in Computer Science, University of Lahore   Lahore

Apr 2021 -- Present

I'm pursuing a Bachelor's in Computer Science, and dedication shines through my impression 3.42 GPA over four semesters. Moreover, my thirst for knowledge drives me to acquire at least one new skill or piece of wisdom each day.
